HON. CHARLES R. DRAKE, the republican nominee for council, will run so far of the United States. shead of his competitor that he won't know he has one unless he looks back and stops to think that there was some talk of one being put in the field against him. But it is well for the county in terests that it should be so, as Mr. Drak will make a representative worthy of the people he will be elected to repre-

JUDGE MEYER is the hereditary justice of the peace in Tucson. During his long H. B. Dodge & Co., and is well and favfor the good of his office and for the sa- arably known throughout the countyterm of service he has acquitted himself fety of the entire community, This fact He happily possesses good business has been recognized and appreciated by qualifications that especially fits him as his continuance in office. He is upright, a legislator. He will, if elected as he honorable and a man of great integrity, surely will be, fill the office with credit doers. For the position he now holds he is the most competent man in the political epitaph be written. county to succeed himself.

It is more than propable that many thousands of Democrats in New York the commendations and affections of the think just as Rev. P. Walsh, of Albany does, who writes to the Express of that city as follows: "While I am not a Reted when he was Governor. If he were bis enemies. The interests of the county in favor of the working classes and opposed to the few, why did he veto the Five-Cent Fare bill, and the Car-drivers and Conductor's bill? The answer is plain: Monopolies owned him and they still own him."

MR. LEWIS MARTIN will go to the assemply by a rousing majority. When he pulled open the throttle and started in on his political race he went in to win, anything honest and practical Jack Sny and win he will. His vocation is that of a ratiroad engineer-a vocation that calls forth all the good there is in a man- ged for the ardnous duties of the office, To be brave, hardy and capable are A ballot for him is a ballot in the interamong the essential qualifications necessary to such a calling and Lou Martin possesses them all. He has with these a good fund of hard headed common sense which will be put to the service of the county in the next legislature. He is a young man full of bright promise and enthusiasm and will make a good legis-

THE popularity of Mr. Thos, Cordis which office he will fill with honor, in telligence and safety. In the fulfilment of his duty he will know neither friend nor enemy when right must suffer by the acquaintance. This office is among the most important in the gift of the by a big majority. He is worthy of the people, inasmuch as to it is entrusted the confidence so generously bestowed on education of the youth and the administration of the deceased. When people dis-and whether they leave much or little-it is always a comforting assurance to them to know that such property as may be left will not be squandered and esten up by useless court costs and scheming manipulators, but will go to the maintainance and support of those they loved dearest on earth. If Tom Cordis be Probate Judge this assurance is made doubly sure. The people are quick to appreciate these truths and will remember them on next election day.

I. N. Towne is one of the substantial men on the ticket, and a worker from the word go. If he is elected-as he undoubtedly will be-he will prove as active in the legislature as he is on a cattle ranch. He is thoroughly imbued with the idea that he will make a good legislator, and the people being of the same opinion-as they surely are-he ties, inquire into their antecedents, then will get there at the head of the ticket. choose the cleanest men and you will He is a worker from away back and will strike a republican every time. spare nothing to advance the interests of the county he is sent to serve. Towne is capable and the people know it and will give proof of this knowledge at the polls by the big majority he deserves. The outlook is most hopeful.

Mr. J. J. > New Homestead Law. [Journal Miner]

A new land bill of great importance to persons who have heretofore exhausted and with important amendments has been adopted by the House of Representatives and returned to the Senate for

oucurrence in the amendments. The bill as passed by the senate per mits all persons who have filed under pre-emption or homestead law, but who any reason have failed to acquire title to lands, to again file under the homestead law and sequire title to not

The first amendment added by the murder of Mrs. Penn ten years ago. Penn | House of Representatives authorizes reabsence to those who have made entries and who "by reason of drought, whole or partial destruction of crops, sickness or any other unavoidable casuality," are unable to secure a support for himself. herself or those dependedt upon them, such absence not to exceed one year at any one time, though the period of such absence shall not be counted as residence

upon the land in making proof and pea-

ting title.

The second amendment provides that ersons who have made bomestead entries for less than one quarter section may make additional entry for land con tiguous to the original homestead not exceeding with the land in such original entry 160 acres, or if the entryman elect they may relinguish the original entries who was lying on the track insensible | New York, Oct. 25.—Blaine will make and make new ones the same as though which has been made upon the original entry will count as residence upon the the additional or new entry in making final proof, and where satisfactory final proof has already been made on the original entry no proof on the additional or

new entry will be required, but patent This will be glorious news to the thou sands of persons sprious to acquire homes but debarred from doing so under existing laws. There is little doubt been missing since Monday. Believed that the bill will pass the senate as amended.

Copies of the bill can be had by ad-

The sugar trust has this year declared five 2 per cent dividerds on a 50.000,000 espitalization, representing more than double the actual value of the property invested in the business. The Mills bill is carefully drawn so as not to interfere with this monopoly; the Senate tariff bill deal the trust its death blow. The Voting Democratic party supports the former; the Republican party the latter. Which quriy favers trusis?-Toledo Blade(Rep.) more brazen-fare disregard of the sancitity of his promises than that of which Mr. Cleveland has been guilty could hardly bejimsgined. The civil service was making fair progress towards reform when he become President, and it is now as demoralized as it was in the worst days before the war . The web of the reformer has been rudely broken, and he will be obliged to patiently weave it | Hector Servidae?" again-New York Mail and Express(Rep.) While the tariff issue is being fought out in the Presidential canvass, with which it has no direct or practical connection, the Congressional districts, which have nearly all to do with the making and upmaking of tanff laws, are in large degree being left to drift. It is not unlikely this may result in some suprises about the middle of Novemberunwelcome to some and strokes of luck to others. Which way will the balance

The McCartney Suicide.

lean?-Philadelphia Ledger(Ind.)

The CITIZEN yesterday was in all probbility a little premature in stating that Mr. John P. McCartney had been murdered, as is evidenced by the following telegram from La Constitucion, the official paper of the government of So-

nors. "Oar colleague, El Fronterizo, of Tucson, has published a telegram dated 10th inst, from Nogales, announcing the eath of an American citizen by name of John P. McCartney. It is stated his body was found in the road of Santa Ana and that although the rumor has been mooted that he committed suicide, his friends insist in the belief that he was murdered and robbed of a large sum of

"Mr. John P. McCartney according to the information received from the government authorities, committed suicide in a room of Badilla's rapch, In doing so he made use of a revolver, the project tile from which penetrated his eye an J M Berger inspector; M Fredrico and orashed through his brain. The even-H Herrerss judges. Voting place, publing before committing the act he atempted to behead himself with a knife, being prevented by Mr. Florencio Davila. he inflicted but a small wound in the

throst. "He was not robbed as there are several valuable articles belonging to him together with his pocket book and papers and \$1000 in bank notes, Thes things are now in the possession of the anthorities. The authorities of the distriot of Altar in which jurisdiction the deed tood place are actively engaged in investigating the affair. The Governor of the state has recommended that the greatest care be taken in the proceed-
